

Tariq Al-Mansoor (Python / ML - Mismatch for Web)

Email: tariq.m@cmu.edu | Phone: +1-555-0109

PROFILE

Machine learning researcher and Python programmer focusing on deep learning and NLP.

EDUCATION

B.S. in Computer Science, Carnegie Mellon University (Expected 2026)

SKILLS

Python, PyTorch, TensorFlow, Scikit-Learn, Pandas, NumPy, NLP, Computer Vision, Git, Linux

EXPERIENCE

ML Research Intern at CMU LTI

- Fine-tuned transformer models using PyTorch for multilingual sentiment classification, improving F1 score to 0.89.
- Processed 500,000 text documents using Pandas and NumPy.

PROJECTS

VisionTrack Object Detector (Python, PyTorch, OpenCV)

- Trained custom YOLO object detection model on 20,000 images achieving 78% mAP.
