

Carlos Gomez

Email: carlos.g@ucla.edu | Phone: +1-555-0112

PROFILE

Web developer with solid TypeScript, React, and REST API foundation.

EDUCATION

B.S. in Computer Science, UCLA (Expected 2026)

SKILLS

TypeScript, JavaScript, React.js, REST APIs, Git, PostgreSQL, Docker, Tailwind CSS, Jest

EXPERIENCE

- Software Engineering Intern at Local Startup
- Built 12 interactive React.js components in TypeScript for client onboarding dashboard.
 - Created REST API endpoints and optimized PostgreSQL queries, improving response time by 25%.

PROJECTS

- EventHub Ticketing System (React, TypeScript, REST API, Git)
- Developed full-stack ticketing prototype with QR code validation and Stripe test checkout.
